Dear Families of the Graduating Class of 2014:

On behalf of the entire Administrative team, counselors, teaching staff, and entire school community, welcome to Belleville High School!

In an attempt to familiarize you with our high school, you are cordially invited to attend our Class of 2014 Orientation Program to be held on Tuesday, March 16, 2010, at 7:00 p.m. in the Belleville High School auditorium. To help assist you and your child in planning for the next four years, we will present a short overview of graduation requirements, curricular offerings, policies, scheduling procedures and tips for success. Also, the chairpersons of the various departments (i.e. math, science, English, social studies, etc.) will be available to answer questions and relate specific information unique to their academic disciplines. Some sponsors and supervisors will also provide information about student activities and athletics.

Because the transition from middle to senior high school can be made easier and more meaningful for students when their parents are involved, we welcome your participation in this program. We can be effective only with your cooperation and assistance.

We look forward to meeting everyone and forging what we believe will be meaningful relationships for the next four years. Thank you for your interest and we hope to see you on Tuesday, March 16th.

Sincerely,

Dennis Connolly
Principal
